How to live in a pagan environment:

Lesson #1: Stand for Truth in a pagan environment, we are going to stand in a pagan society also. Are we at the point of no return? Be faithful!

Lesson #2: Prayer is no guarantee things will change.

Lesson#3: The preservation of building and structures are not important to God: ie temple not one stone will stand.

Lesson #4: God uses heathen nations to judge His people.

Lesson #5: God teaches His people how to live in a minority culture, God does not abandon His people.

Lesson #6: We need people to weep for our country. God approves of every drop of rain?

Lesson #7: We must be a witness to the gospel and what it has done for you.

We ought to weep and witness!!!!
